This non-binding statement of intent serves to confirm Villanova University's (VU) preliminary interest with respect to the above-mentioned project. A binding and enforceable agreement will arise upon execution and delivery of a definitive written agreement which is mutually acceptable to both VU and the grantee institution named above at their sole discretion.

The enclosed proposal was reviewed for completeness, accuracy, and compliance with VU's institutional policies, and the policies of the sponsor named above, in accordance with VU proposal submission policy. VU's appropriate programmatic and administrative personnel are aware of these grant policies and are prepared to establish the necessary inter-organizational agreement in accordance with those policies.

The Principal Investigator's (PI) signature below certifies that: 1) the information submitted within the application is true, complete, and accurate to the best of the PI's knowledge; 2) any false, fictitious, or fraudulent statements or claims may subject the PI to criminal, civil, or administrative penalties; and 3) the PI agrees to accept responsibility for the scientific conduct of the project and to provide the required progress reports if a subaward is issued as a result of the application.

The Institutional Official's signature below certifies that VU has implemented and is enforcing a written policy of Conflict of Interest consistent with the provisions of 42 CFR Part 50, Subpart F and 45 CFR Subtitle A, Part 94 and that at this time there is no real or apparent conflict of interest as defined by these regulations in connection with this project. VU also certifies that: 1) neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from receiving funds from any Federal department or agency; 2) it is not delinquent on any Federal debt; 3) it is in compliance with the Drug Free Workplace Act of 1988 4) it is in compliance with 42 CFR par 50 (Objectivity in Research) regarding financial conflict of interest; 5) no Lobbying was performed with regard to the proposal; and 6) assurances are on file for Misconduct in Science, Civil Rights, Handicapped Individuals, Sex Discrimination and Age Discrimination.

Further, VU is submitting this proposal with the understanding that the scope of work is considered fundamental research. VU reserves the right to negotiate an agreement that complies with university policies and will permit free publication of results should this proposal be selected for funding.

For STTR projects, Villanova expects Intellectual Property rights in accordance with its [STTR Allocation of Rights template](#).
